Diana, I forgot about the graffiti removal, so yes we need to keep that location first. I assume it's too late in the day for the team in the Olympic division to get out there?

Thanks Leon but I don't think CARE needs to be involved because there is no encampment there. There previously was an RV but they left two days ago.

Thanks Rob, looping in Diana Gonzalez and Brad Fingard to add this location to CARE for tomorrow.

Hi Rob,

In response to your request, current photos of the trash that is on the sidewalk and on the street at the intersection of Lorraine and 8th St., are attached-just taken. This is a violation of ADA.

Today, Thursday is street cleaning day from 10:00am-Noon on 8th street, but the street cleaning did not sweep up the debris on the street. It was past noon when the pictures were taken.

We appreciate any help you can provide to get this location cleaned up.

Thank you,

Flora Bautista
